

# The Navy League of Canada- Kanata Branch And FundScrip

Parents and cadets,

The Navy League of Canada-Kanata Branch has an ongoing fundraiser with FundScrip. This fundraiser will enable the corps to purchase much desired equipment for the youth and enable them to participate in extra activities not sponsored by DND...without youth and parents spending a lot of time and effort doing fundraisers! FundScrip is an opportunity for parents and friends to purchase gift cards or e-cards on-line and either use them yourself or give them away as gifts. Many of us have used this program with school groups, sports teams or other groups and it has been proven to generate funds without extra cost and time to families.

*For an example:* You regularly pay \$50 per week for gas. That's \$200 a month. With a purchase of a gift card/e-card to use per month at your regular gas station the corps will receive a cheque for 2% (\$4)! Yearly you have donated \$48 to your child's corps just by buying gas!

- The gift cards do not expire and retain any balance.
- You can purchase your choice of gift cards on line from the comfort of your home.
- Pay with online banking \*\*If pay with credit cards, a fee of 2% is charged per order which takes away from the amount you just fundraised\*\*
- Choose mail delivery and your order will be delivered to your mail box for a regular postage fee within 1 week.
- When using mail delivery a maximum of 4 cards totalling \$500 can be ordered at one time, however, after completing and paying for one order another order can be placed.
- Individual ordering can be done at any time with no cut off dates except during holiday closures.
