

## The Navy League of Canada Volunteer Renewal Form

In the interest of protecting our Cadets, the Navy League of Canada has established a Volunteer Screening Program, in conjunction with our partner, the Canadian Forces. All information collected for this program will be kept confidential. If you have any questions about our Volunteer Screening Program, please call the National Office at: 1–800–375–6289.

Who has to fill out this form? This form is only for volunteers who already have completed an initial Volunteer Screening and have an active screening status at the time of application. New members are required to undergo the full screening process and should complete form NL (101)E.

What supporting documents do you require? To complete your application, we will require (i) a Canadian Police Records Check (PRC) with the Vulnerability Sector Screening (VSS), (ii) photocopies of two pieces of official identification, one of which must include a photo, and (iii) one recent photograph (taken within the last 3 months) of yourself.

What happens to this information? Branches and Divisions may keep a copy of the first page only. The completed application will be archived at the National Office. After five years you must renew your screening. Basic tracking information is recorded on our secure Volunteer Screening Database. Your name may be shared with other youth organizations, but only for the purpose of volunteer screening. Your name and address will not be distributed to any third party for commercial or unauthorized usage.
